A Note From Our Executive Director

Happy Pride!

We are excited to welcome you to Michigan's gayborhood to celebrate everything LGBTQAI+. As we focused on what Ferndale Pride would look like this year, the theme "now more than ever" emerged. It seems as if our community needs a bit more support, a few more hugs and a lot more positivity. Now, more than ever, we hope this day uplifts you and helps you connect to your community.

We planned this year's event with you in mind. From nonprofit organizations to local artisans, we worked to gather a variety of goods and services that speak to our communities. In addition, you'll find lots of places to relax and make friends along the way.

As in the past, we are particularly proud of the performers going up on our stages and performance areas. We are privileged to have fantastic talent in Michigan and nearby. We can't wait for you to enjoy their performances.

Finally, I want to shine a spotlight on my colleague, Shaine, who won the Ferndale Elks Citizen of the Year award for their work on Ferndale Pride. This award is given to an Elks member who contributes significantly to the betterment of Ferndale. We are proud of their efforts in our community. Congratulations!

Rainbows,

Julia Music
